# Foreword

We of the Highlander staff ask you to join us as we travel through the memories of Highland's 1956-57 school year. The moments of gaiety, sadness, and pride for our school have been masked in an Old English setting. From the teachers, who are draped in black robes and tall pointed hats, to the sportsman in shining armor mounted on a charging steed, you will find Highland's memories and may they always remind you of a year spent in work, study, and fun.

So now let's delve into the inner portals of our old English castle and see what skeleton we may find to rattle.

## Dedication

**Miss Helen Mills**

We of the Highlander wish to thank Miss Helen Mills who has so patiently guided the Annual Staff since its beginning seven years ago. The greatest thanks we can offer is to dedicate this 1957 Highlander to her, which we do with pride and joy.

## In Memoriam

Jerry Ronning

1940-1956

### He Is Not Dead

I cannot say, and I will not say  
That he is dead. He is just away  
With a cheery smile, and a wave of the hand  
He has wandered into unknown land,  
And left us dreaming how very fair  
It needs must be, since he lingers there.  
And you — oh, you, who the wildest yearn  
For an old time step, and the glad return,  
Think of his faring on, as dear  
In the love of There as the love of Here.  
Think of him still as the same. I say,  
He is not dead--- He is just away.

Adapted from James Whitcomb Riley

## Superintendent of Schools

In his first year as superintendent of the Albuquerque Public School system, Dr. Spain has proved his ability as an administrator. His success in solving the many problems that confronted him showed Dr. Spain to be worthy of his position.

DR. CHARLES R. SPAIN

## The School Board

The School Board has continued their usual progressive leadership and direction again this year. These civic leaders, pictured at one of their monthly meetings to form school policy, are Mr. Robert Elder, Mrs. A. H. Nicolai, Mr. Richard Thorne; (back row), Mr. John Varney, Business Manager; Dr. Spain, Mr. J. Leon Thompson, Mr. S. Y. Jackson, president

**Principal  
Allen D. Krumm**

Highland High feels very proud of its new principal, Allen D. Krumm. In this one year Mr. Krumm has proved himself to be an outstanding administrator. Through his skillful handling of the thousand and one problems of a large high school. He has the affection and respect of all of us.

*Best of luck  
Mrs. Lucas.*

**Assistant Principal  
Mrs. Florence Lucas**

Highland is fortunate in having so fine an assistant principal as Mrs. Florence Lucas. Mrs. Lucas's very efficient management of her duties has been a big help to Mr. Krumm and to the school

Teachers

"Tell Me a Story," is Mr. Langston's favorite song while at his job as Director of Attendance

Because of his untiring enthusiasm as Director of Activities, Mr. John Murphy is known as the 'Guiding Light' of Highland High School. We often wonder how he finds time to help everyone, kids and teachers alike.

## Highland High School's Administration Personnel

Mrs. Ann Nanninga, left, and Mr. Lisle Smock are Highland High School's counselors. With patience and attentive listening they help students with their problems. Many of us have enjoyed taking personality and aptitude tests under their direction.

## Highland Office Personnel

"Hmmmmmm, that story sounds familiar," is the often heard statement from Mrs. Mildred Parmley as she works behind the attendance desk

You've seen Mrs. Helyne Gilmore's name somewhere before. Yes, on your activity ticket or on an O K for your announcement.

*Handwritten note:*  
Don't forget  
L. Bandy

Although new at her job, Mrs. Genevieve Cooper has done very well in the book room

As clerical assistant to Miss Trammell, Mrs. Lou Rehm sits and works behind her desk many hours.
